Sands of Time is the third and last book in the trilogy of the "Endless Love" Series. You can fully enjoy each book separately and still enjoy the depth of mystery, filled with love and secrets uncovered, as the families journey through life in the love of King Rashad and Queen Sheba. The winding road of chapters fills you in wonder and causes you to continue reading until the wee hours of the night because you must know what happens next. The ultimate betrayals within the closest family members are the most shocking for anyone. This novel, enriched in your heart from day one, is an escape from your everyday life and into the lives in Egypt and Pakistan, yet on every level, you can relate to the fullness of emotions as you delve into another's twists and turns in life.
